

Software Assurance (SwA) in Acquisition: Mitigating Risks to the Enterprise

A prepublication version (dated October 22, 2008) of *Software Assurance (SwA) in Acquisition: Mitigating Risks to the Enterprise*¹ and a feedback form are available on the Software Assurance Community Resources and Information Clearinghouse website.

This document provides information on how to incorporate SwA considerations in key decisions and how to exercise due diligence throughout the acquisition process relative to potential risk exposures that could be introduced by the supply chain.
